Services

➤ Investment Services

Our team of professionals and experienced sales teams, allow us to effectively penetrate major, secondary and tertiary markets across Saudi Arabia. Our deep understanding of real estate capital market trends, strong investor relationships, efficient platform and property & market specific expertise allow us to close transactions in the most timely and efficient manner. Our goal is to execute transactions at the highest possible price and meet client deadlines. Successful transactions are supported by robust investment and asset management strategies. We will guide you in your investment decisions and help you address and mitigate the financial effects of any uncertainties or risks.

Our Sales Services include:

- Investment Sales
- Residential & Commercial Properties
- Land/ Plots Investment Sales
- Project Sales (Off Plan & Built)
- Industrial Sales

➤ Leasing Services

The key to the financial success of all investment real estate is the ability of the owner to obtain and retain tenants. We execute marketing and leasing programs for owners and investors, securing tenants and negotiating lease terms that support our clients' best interests.

Our leasing philosophy is to address every assignment as though we were the owner and to view those assignments from a focused, strategic angle. From developing the leasing strategy and discerning the strengths of your asset to determining the best marketing strategy and attracting the most suitable tenants, we bring a proactive leasing approach to your asset so you can focus on continuous financial growth.

Our Leasing Services includes:

- Residential Leasing
- Corporate Leasing & Services
- Industrial Leasing
- Retail Leasing & Mall Management
- Sales & Lease back

➤ Investment & Development Advisory

Partners works with developers seeking to maximize their real estate position and strategies for properties ranging from portfolios of owned real estate and non-performing real estate, multi-family properties, hotels, industrial parks and corporate headquarters.

Our integrated investment services enhance value and bring key intelligence to the sales process with in-depth market research, acquisition & disposition expertise, due diligence processes, asset optimization solutions, customized analytics & feasibility studies, appraisals and valuation. We offer a team who specialized in a specific sector and assist our client in the following:

- Development Strategic Advisory
- Highest & Best Use Studies
- Feasibilities & Market Analysis
- Valuation

➤ Research Services

Partners leading research service has become a respected industry authority for real estate market intelligence with an extensive database on property spectrum including residential, commercial, retail and industrial. With active coverage of all major cities across Saudi Arabia, we pride ourselves on our unique ability to understand and interpret market behavior for the benefit of our clients' decision-making process. The scope of our market research reports generally includes the following headings per asset classes, plus information specific to each client's project:

- Key Factors affecting the sector
- Current Supply & Characteristics
